**Date approved:** September 2023

**Approved by:** Impact North West Schools Proprietor Board

Frequency of review: Annual

Next review due: September 2024

Students can be referred to us as a preventative measure, in order to address any barriers to learning that may be preventing further progression from their referring schools. Some students have already been permanently excluded from their school and Impact North West Schools offer full time education for those students, ensuring a range of qualifications are on offer for those young people.

Behaviour of our students is the responsibility of everybody within Impact North West School.

#### <u>Aims</u>

  modern Britain.
- To promote reflection of our students' attitudes and responses and encourage reparation.
- To treat all colleagues, staff and students with the utmost respect in preparation for the wider world of life and work in modern Britain.
- Define what we consider to be unacceptable behaviour, including bullying and discrimination.

## **Mobile phones**

Pupils are not allowed to have mobile phones with them on-site and must hand them over to staff before entering the site. Phones will be locked away by the Pastoral Lead and returned to the student at the end of the day.

#### Responding to behaviour

#### **Classroom management**

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

#### They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the behaviour curriculum or their own classroom rules
- Develop a positive relationship with pupils, which may include:
  - Greeting pupils in the morning/at the start of lessons.
  - Establishing clear routines.
  - Communicating expectations of behaviour in ways other than verbally.
  - Highlighting and promoting good behaviour.
  - Concluding the day positively and starting the next day afresh.
  - Having a plan for dealing with low-level disruption.
  - Using positive reinforcement.

# Ready, Respectful and Safe (RRS)

Pupils in the school are expected to follow the school's three-word policy of Ready, Respectful and Safe. Teaching staff and other centre staff will reinforce this positive approach to Behaviour for Learning by referring examples of good, expected or poor behaviour to RRS. The school is using a pupil engagement scale to reinforce positive behaviour in class, around the centre and off-site. It is expected that teachers will enter a score for each lesson for all pupils in the class for each lesson.

- 1 = outstanding
- 2 = good
- 3 = cause for concern
- 4 = inadequate
- A = absent

#### Responding to good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture. The scale of reward is linked individually to match the emotional need and level of each pupil.

Positive behaviour will be rewarded with:

- Verbal praise.
- Communicating praise to parents via a phone call or written correspondence.
- Certificates, prize ceremonies.
- Positions of responsibility, such as prefect status or being entrusted with a particular decision or project.
- Whole-class or year group rewards, such as a popular activity.

#### Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information

#### Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques can be used to help prevent further behaviour issues arising, such as the use of pre-arranged scripts and phrases.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and considered.

When giving behaviour consequences, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

The school may use 1 or more of the following consequences in response to unacceptable behaviour:

- Sending the pupil out of the class.
- A verbal reprimand and reminder of the expectations of behaviour.
- Setting of written tasks such as an account of their behaviour.
- Expecting work to be completed at home, or at break or lunchtime.
- Detention at break or lunchtime, or after school.
- Loss of privileges for instance, the loss of a prized responsibility.
- School-based community service, such as tidying a classroom.
- Referring the pupil to a senior member of staff.
- Letter or phone call home to parents.
- Agreeing a behaviour contract.
- Putting a pupil 'on report'.
- Removal of the pupil from the classroom.
- Suspension.
- Permanent exclusions, in the most serious of circumstances.

Personal circumstances of the pupil will be taken into account when choosing consequences and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

#### Reasonable force

Incidents of reasonable force must:

- Always be used as a last resort.
- Be applied using the minimum amount of force and for the minimum amount of time possible.

www.impactnorthwestschools.org.uk schooloffice@impactnorthwestschools.org.uk 0151 328 1561 • 07568060086

- Be used in a way that maintains the safety and dignity of all concerned.
- Never be used as a form of punishment.
- Be recorded and reported to parents.

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

#### **Positive Handling Training**

All staff receive initial and annual training through Team Teach Positive Behaviour Management. This includes strategies for de-escalation which staff should apply when dealing with students.

Physical Intervention including restraint and the use of force physical restraint should ONLY be used by staff who have Team Teach training. Any physical intervention is to be used only as a last resort when an individual is presenting an immediate physical danger to themselves or others. A dynamic risk assessment will determine the best course of action to maintain the care, welfare, safety and security of all involved in the crisis situation.

Staff should use this behaviour and consequences table as a guide, when dealing with unacceptable and undesirable behaviour to ensure consistency and appropriateness in the consequences used.

#### **Behaviour Management Stages**

# Staged Approach to Behaviour

Stage	<u>Student</u> <u>Behaviour</u>	Teacher Action  Stage 1, 2 and 3 are basic behaviour management classroom techniques, these must be exhausted before stage 4 is initiated	Pastoral Manager / Pastoral staff information and Teacher follow up
1	Student is not ready to learn	REDIRECTIONPre-Staged Approach  Teacher applies their own way of dealing with disruption using a Positive Behaviour Management strategy where possible Proximity, non-verbal signals, praise, eye contact  Emphasise the positive behaviour you have seen or wish to see in the student.  Where students are late, they MUST notify on the portal/gateway and follow up such as a phone call or text home to alert parents/carers.	Lesson Engagement core must be added to Abor at the end of every lesson.  No other action needed –classroom teacher to monitor.  Phone calls home need to be made  Arbor incidents must must be updated for both positive and negative incidents
2	Behaviour continues	REMINDERPre-Staged Approach  Reminder of the expectations of ready, respectful and safe delivered privately where possible. De-escalate where needed.  Examples  Verbal warning  Traffic light system  Student moved Target report trialled for a week if this works to continue until necessary.  Student given choiceyou can continue or	Lesson Engagement score must be added to Arbor at the end of every lesson.  Teachers will use the traffic light system. Staff are managing the escalating behaviours through a range of strategies including scope for reflection opportunities, minor consequences and follow ups or positive reinforcement and rewards.  Target report to be issued and uploaded to the gateway daily and parents/ carers made aware.  Arbor incidents must must be updated for both positive and negative incidents

3	Persistent Inappropriate Behaviour	CAUTION  Students to be made aware of behaviour and the consequence. Behaviour logs added to Arbor	Pastoral staff to contact parents and invite them to discuss a behaviour Support Plan (BSP). This is to highlight key triggers for the learner and to ascertain any underlying issues causing challenging behaviour and address any concerns with key actions and outcomes.  Upload a brief summary onto Arbor BSP 1 to be initiated by Centre staff  Arbor incidents must must be updated for both positive and negative incidents
4	No improvement from earlier warning level	LAST WARNING  Parents / Carers and students to be made aware of behaviour and the consequence.  Behaviour logs added to Arbor.	The Teacher/ Pastoral Manager must contact home.  Where behaviour does not change over time a FORMAL MEETING between Student, Pastoral manager, parent/carers and headteachers.  Contract of expectations to be issued to student, parents/carer and Pastoral staff and Pastoral Manager to hold a meeting.  This acts as a final warning and the learner is at risk of the placement ending.  BSP 2/3 to be initiated  Arbor incidents must must be updated for both positive and negative incidents

#### **Serious Misconduct**

		SERIOUS ISSUE – LEARNER REMOVAL VIA PRESENCE OR PLACEMENT TERMINATED.	
5	Failure to comply with Contract of expectations or serious incident. For example, fighting.	Arbor updated by the teacher / Pastoral Manager before the end of the day to allow for communication.  Student may be sent home for a serious incident by the Headteacher or pastoral Manager in their absence  Learner is at risk of the placement ending with immediate effect.	Pastoral Manager will inform the commissioning school or commissioner and parents/carers.  Arbor incidents must must be updated for both positive and negative incidents

#### **Drugs and Alcohol**

We operate a zero tolerance approach to both drugs and alcohol. If one of our students presents as being under the influence or in possession of either substance, they will be suspended, pending further

investigation. All relevant referrals to external agencies e.g. Response, will be made in conjunction with school and parents. Repeated offences may result in permanent exclusion.

#### **Smoking & Vaping**

As part of our commitment to promote a healthy living lifestyle, we discourage smoking and work in conjunction with Health Services in School to offer cessation and healthy living workshops to discourage our students from smoking. Any students that we are aware of that are smoking, we will refer to relevant agencies for additional support, whilst informing parents and referring schools.

#### **Dress Code**

- Dangly jewellery should not be worn
- Pupils should ensure that they wear full length t-shirts, tops, jumpers or shirts. In following this rule, the students and the school are compliant with health and safety rules.
- Logos or graphics must not be offensive to others. For example, swear words or references to illegal activities like drugs or weapons.
- All bottoms' (trousers, joggers etc) waist bands should be worn on the waist / hips

#### **Equipment**

All equipment will be provided onsite.

# Confiscation of inappropriate items / power to search

Impact North West schools LTD follow the DfE Searching, screening and confiscation Guidance (September 2022) in order to implement our policy. In the extreme event of the need to confiscate, parents/carers will be informed at the earliest opportunity. The following colleagues are authorised to search for items of concern, without consent: -

- CEO
- Headteacher or Deputy
- Pastoral Leads

Please see the DFE Guidance on powers to search and what must be done with confiscated items where we are required to report and hand over to the police (weapons, knives, pornography).

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and** 

In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or** 

It is not reasonably practicable for the search to be carried out in the presence of another member of staff.

When an authorised member of staff conducts a search without a witness they should immediately report this to another member of staff, and ensure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but is not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search.
- Assess whether not doing the search would put other pupils or staff at risk.
- Consider whether the search would pose a safeguarding risk to the pupil.
- Explain to the pupil why they are being searched.
- Explain to the pupil what a search entails e.g. I will ask you to turn out your pockets and remove your scarf.
- Explain how and where the search will be carried out.

- Give the pupil the opportunity to ask questions.
- Seek the pupil's co-operation.

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to cooperate, the member of staff will contact the [headteacher / designated safeguarding lead (or deputy) / pastoral lead], to try and determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or from causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil's outer clothing, pockets, possessions, desks or lockers.

Outer clothing includes:

- Any item of clothing that is not worn immediately over a garment that is being worn wholly next to the skin or being worn as underwear (e.g. a jumper or jacket being worn over a t-shirt).
- Hats, scarves, gloves, shoes, boots.

#### Searching pupils' possessions

Possessions means any items that the pupil has or appears to have control of, including:

- Desks
- Lockers
- Bags

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

#### Informing the designated safeguarding lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3.

If they believe that a search has revealed a safeguarding risk.

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

#### **Informing parents**

Parents will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents as soon as is reasonably practicable:

- What happened.
- What was found, if anything.
- What has been confiscated, if anything.
- What action the school has taken, including any consequences tat have been applied to their child.

#### Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider if pastoral support, an early help intervention or a referral to children's social care is appropriate.

#### Off-site misbehaviour

consequences may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

www.impactnorthwestschools.org.uk schooloffice@impactnorthwestschools.org.uk 0151 328 1561 • 07568060086

- Taking part in any school-organised or school-related activity (e.g. school trips).
- Travelling to or from school.
- In any other way identifiable as a pupil of our school.

consequences may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

consequences will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

#### Online misbehaviour

The school can issue behaviour consequences to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil.
- It could have repercussions for the orderly running of the school.
- It adversely affects the reputation of the school.
- The pupil is identifiable as a member of the school.

consequences will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

#### Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher / member of the senior leadership team / pastoral lead] will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce consequences, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

#### Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate.
- Considered.
- Supportive.
- Decided on a case-by-case basis.

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
  - Manage the incident internally
  - Refer to early help
  - Refer to children's social care
  - Report to the police

Please refer to our child protection and safeguarding policy for more information.

#### **Malicious allegations**

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

#### Suspension and permanent exclusions

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour, which has not improved following in-school consequences and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our Admissions, Attendance and exclusions policy for more information.

#### Responding to misbehaviour from pupils with SEND

#### Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will balance their legal duties when making decisions about enforcing the behaviour policy. The legal duties include:

Taking reasonable steps to avoid causing any substantial disadvantage to a disabled pupil caused by the school's policies or practices (<u>Equality Act 2010</u>).

Using our best endeavours to meet the needs of pupils with SEND (Children and Families Act 2014).

If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must cooperate with the local authority and other bodies.

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

Our approach to anticipating and removing triggers of misbehaviour below. Our approach may include examples such as:

- Short, planned movement breaks for a pupil with SEND who finds it difficult to sit still for long.
- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher.
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema.
- Training for staff in understanding conditions such as autism.
- Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload.

# Adapting consequences for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the school will take into account:

Whether the pupil was unable to understand the rule or instruction?

Whether the pupil was unable to act differently at the time as a result of their SEND?

Whether the pupil is likely to behave aggressively due to their particular SEND?

If the answer to any of these questions is yes, it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess if it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

# Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

#### Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the issue. If appropriate, the school may request an emergency review of the EHC plan.

#### **Attendance and Punctuality**

Good attendance and punctuality is key to progress. Our aim at Impact North West Schools is to prepare our students for the wider world of work and so monitoring our students' attendance and punctuality encourages and promotes these key skills for further education, employment or training. In order for our students to benefit from our bespoke packages, it is vital that students attend on time to maximise every opportunity for engagement.

We liaise with parents/carers if students have not arrived at placement and we then inform our referring school and educational welfare officers of any ongoing concerns.

#### Who was consulted?

The policy has developed over a number of years and is reviewed annually by the Head of Centre senior leaders, students and referring schools.

#### Relationship to other policies

This policy is linked to child protection and safeguarding and the home-school agreement.

#### **Staged Approach to Behaviour**

#### Stage 1

Any behavioural issues that disrupt quality first teaching in the centre have been identified and the teacher is managing any unacceptable or inappropriate behaviour. This will be reported to Parents,

Carers or Guardians on the day of incident by the class teacher, using the language of Ready, Respectful and Safe and will be recorded on Arbor for future reference.

## Stage 2

Staff are managing the escalating behaviours through a range of strategies, including scope for reflection opportunities, minor consequences and follow ups or positive reinforcement and rewards.

#### Stage 3

Parents are contacted and invited to meet their Pastoral Leader to complete an IMPACT Plan to highlight key triggers for the student and to ascertain any underlying issues causing challenging behaviour and address any concerns with key actions and outcomes. At stage 3 the Pastoral leader will instigate a behaviour support plan moving forward. This indicates the different types of interventions and support that will been implemented and monitors the impact of the support. The Pastoral Leader will either escalate the behaviour support plan or de-escalate it depending on the response. For example, a child may move to BSP 2 or come off a plan.

#### Stage 4

A request for a meeting between Student, Parent, Commissioner and the Headteacher is made to warn that placement is at risk of being ended. This acts as a final warning.

#### Stage 5

Students are at risk of the placement being ended with immediate effect. A meeting with the Headteacher (Jayne Jones) Pastoral Lead, Commissioner, Parents and Student is convened - informing them they are at risk of a suspension, or end of placement.
